

PRELLIS

Pricing Model for Custom Structures

Development

Service	Price
CAD Development Time*	\$250/hr
Print testing for optimization	\$1200 flat fee
Exclusive Structure	Negotiable

*We estimate it will take 2-5 hours to prepare user generated CAD files for printing on our system. User designs that are not in CAD format may take up to 10 hours to develop and will include two 30 minute revision meetings.

Price per Structure: 10 Structure minimum order.

Scaffold Dimensions	Estimate Price / unit
1mm x 1mm x 1mm	\$150
2mm x 2mm x 1mm	\$350
3mm x 3mm x 1mm	\$700
4mm x 4mm x 1mm	\$1100
5mm x 5mm x 2mm	\$1800

*Binding proteins, growth factors, and chemokines can be added to the resin for an additional \$10/scaffold
